Other expenses include:

- For those students participating in violin class, you will need to purchase or rent a violin. A violin costs approximately \$140 - \$160 new, about \$20/month to rent. Used violins are readily available in the \$100 range for youngest children.
- Olympic Park Institute for 3rd-4th graders – approximately \$190 (this figure changes yearly) – this is usually scheduled for Fall. Parents who chaperone also pay to attend OPI.
- Field study trip for 5th-6th graders – the cost for this week-long trip is approximately \$200.
- Personal school supplies (pencils, notebooks, crayons etc...). List provided by individual teachers before fall classes begin.
- Optional field trips or educational opportunities occasionally arise during the year that are outside our budget; in those cases, if you would like your child to participate there may be an additional fee added to your monthly tuition invoice.
