## 2010-2011 EMERGENCY CONTACT INFORMATION

Student's Name: \_\_\_\_\_

Your student's general information file contains the contact information we will use most regularly. However, in the event of an emergency, we would like to have a few additional contact numbers on file, one of which must be an out-of-state contact (in the event of a regional emergency, it is often easier to dial out of state).

In addition, we would like to have an up-to-date list of people authorized to pick up your child in your absence. These might be grandparents, babysitters, neighbors, etc.
