

Water World April 23-28, 2017

Down by the Dock: NHE is Natural History Exhibit beyond the snack shop, ME is Marine Exhibit at the end of the dock-with touch tanks, **ME Classroom**, classroom on the dock-other side of building from touch tanks, **Kitchen Shelter**, further down towards the light house on the beach side. **On the hill:** JFK is the building nearest the bunkers, uphill from the Centrum office and the brick castle. Breakfast, lunch & dinner are in the Commons.
